

NYI Awards

The main intent of District NYI Awards is to encourage the local NYI to organize and operate with purposeful goals. In order to achieve the respective honors, youth must become active participants on the local, district, and field levels. The District NYI Council wants to recognize those churches which have done so and has established three award levels with which to honor the local NYI. These awards will be distributed as churches' accomplishments are individually recognized at the District NYI Convention.

East Ohio District - NYI Honor Rating System

Please mark an "X" to check off the following items that apply to your local NYI and tally total check marks at the bottom of the page to calculate your rating.

GOLD 15-17 points
