

2022/2023 Youth Bible Quiz Season

We want our quizzing program on The East Ohio District and in our local churches to be about building relationships while having fun studying God's Word. It is essential that we understand the character of God through His Word in order to follow His Call in our lives. This year we are studying the book of Acts. Each quiz starts at 9:00 a.m. and it is \$3 per quizzier.

This year we are going to try something new. We are going to have separate quiz divisions for new and experienced quizzers so that everyone can quiz with quizzers of like skill level. Coaches just need to let me know when they are registering their teams who will be quizzing in each division.

At each of our monthly quizzes we give out individual and team placement awards and Memory Master awards. In order to qualify as a Memory Master you would have to memorize any 15 memory verses each month and 16 memory verses for the final quiz, since there are 91 memory verses total, and quote them to your coach before each quiz. So, as you can see, it progresses every month to build a quizzier's knowledge of memory verses. The monthly quizzes we have are to prepare for the District Quiz, the Field Quiz and the National Quiz

We are always open to new quizzers. You don't have to have a whole team, just one interested teen. We make sure to put individual quizzers together with other individuals or church teams so they are not quizzing by themselves at our monthly quizzes. And you don't have to have your own equipment, just an NIV 2011 Bible to study from. If you have any questions about starting up a new quiz program in your church, study helps, available quiz materials, or keeping your quiz practice engaging for your teens you can email Kat. You also need to email Kat if you plan on bringing a new quizzier or a new quiz team to one of our monthly quizzes.

You can purchase your material for Youth Bible Quizzing from thefoundrypublishing.com. They have great resources available like Acts Bible portions for each quizzier (I recommend this, small books are only \$2), listening CDs, student daily devotionals, new quizzier book, and leader's game ideas. They also offer a subscription to youthquiz.com (I recommend this, it's \$20) which is an on-line resource that has study helps like access to a leader's guide for teaching from the quizzing curriculum and a question and answer game and access to hundreds of practice questions. There is also a great resource for smart phones, it's a Bible Quizzing App for Acts which has the scripture, the memory verses, practice questions, and the scripture to audio. There are also some free downloadable resources available at usacanadaregion.org/youth-quizzing-home like the memory verse list, crossword puzzles, word searches and a leaders' guide.
