

EO District Summer Camp 2022

Camp Speaker - Stephen Banks

Stephen grew up in the church, but his teenage years were rough with the divorce of his parents, questioning God and faith, and looking for fulfillment in many ways. But God got a hold of him at 18 while he was doing his best to go in opposite direction of God. He left his college to go to a Christian school and learn how to be a pastor and lead people to Jesus. Stephen took over as pastor at Richmond Heights Nazarene at 23 and is still there now 17 years later. He believes the church should be a place where people can struggle and find God. God loves healing broken people. And he believes that only God can redeem what we have messed up. He wants to tell young people, “Stop playing the game and get real with God and see how real God becomes to you!”

Camp Worship – The People of Freedom

The People of Freedom Worship Team, led by Nate & Erin Lain, carries a hunger to minister to the Lord, dwell in His presence, and lead others into freedom and transformation. People of Freedom is a non-profit founded in 2018 that seeks to empower the church and equip believers through innovative and creative projects.
